**CU Amiga**

"With all guns blazing Gloom hits the target every time."

**Amiga Action 90%**

"Boom! Gloom hits your sensors like a cyclone!"

"Gloriously smooth, blood thirsty, 3D pants-wetter."

**Amiga User International**

"It's a revolting game. Not since *Zombie Apocalypse 2* have graphics and sound combined so convincingly to make me feel ill."

"Spectacular. Exciting. Fast. Entirely convincing in its oppressive scariness."

"A magnificent game, anything else will have to be extra special to outdo Gloom."

**Amiga Power**

"Gloom will brighten up anyone's day with its gung-ho action and atmosphere. Totally addictive game play makes this the bees knees. Miss it at your peril."
